Stepping Into The Second Century

Northeastern State has taken very meaningful steps into its second century. Our three campuses are transforming daily, as is our role in the region we serve. Our state and indeed our nation are facing many challenges that directly impact this university. Yet under tremendous leadership and with a clearly defined strategic vision we move forward confidently and creatively to serve our students, employees, and of course, our alumni community.

No doubt, this is a wonderful time to renew or strengthen your relationship with Northeastern State University!

Over the coming months you will hear more from us about the NSU Alumni Association. Your membership support allows us to expand outreach efforts and enhance our ability to reconnect with...
