American Indian School of Health Professions \$615,000

This earmark request is for the 2010 fiscal year.

Rep. Dan Boren (OK-2) requests \$615,000 for:
Northeastern State University
601 N. Grand Ave.
Tahlequah, OK 74464

Summary

Northeastern State University has initiated an effort to create an American Indian School of Health Professions. The goal for such a school would be to involve a multi-institutional public-private partnership within the Eastern Regional Health Care Coalition to increase the capacity of health professionals in communities where a shortage of medical expertise exists. Funding provided by this request would support planning and development activities in connection with this initiative.
