READMISSION OF FORMER STUDENTS - Students who have attended NSU, but did not enroll in the immediate past semester (summer sessions are not included), must be readmitted. VETERANS - All persons receiving VA benefits must report to the Veteran Education Office (CASE Bldg.) upon completion of enrollment.

ACADEMIC FORGIVENESS POLICIES - Students may repeat up to four classes (not to exceed 18 hours) of "D" or "F" grades and have only the last grade earned used in the calculation of the retention and graduation GPA. In certain circumstances, students may apply for an academic reprieve for up to two consecutive semesters of course work or academic renewal for removal of all previous coursework. For more information regarding the Academic Forgiveness Policy, contact your advisor or the Office of Admissions and Records.

CLASS SCHEDULE CHANGES - Changes in schedule during the add/drop period will result in full charges for courses added and full refund for courses dropped. Refunds will not be made after the defined add/drop period.

COLLECTION COSTS - Unpaid accounts receivable may be assigned for collection. If an account is assigned, any collection costs, court costs, and/or attorney's fees necessary to collect the amount owed will be added to the balance due. The balance due may be reported to national credit bureaus, which may adversely affect credit ratings. A hold will be placed on university records and future enrollment until the balance is paid in full.

GRADUATION CHECKS - Graduate Students who expect to complete requirements for master's degrees next term should submit a degree check form to the Graduate College, Room 122, Admin. Bldg. A student's advisor may not assume these responsibilities and may not substitute, waive, or exempt the student from any established requirement or academic standard.

### **Eligibility**

To use the **NSU EXCELS** registration service you must be admitted to the University and follow the schedule of times for enrollment printed in the front of the current schedule. Students who have completed a bachelor's degree may enroll, by phone, in up to six hours prior to filing a plan of study. [Contact your academic advisor.] Undergraduates and graduates may use **NSU EXCELS** to register for classes in Tahlequah, Broken Arrow and Muskogee.

**NSU EXCELS** registration service enhances the academic advisement system - it does not replace it. Before starting the **NSU EXCELS** registration process, you must consult your academic advisor to develop your class schedule and receive permission to enroll. Be sure to select several alternatives in case of scheduling conflicts or closed classes. A list of open classes is available on the NSU Website at [www.nsuok.edu](http://www.nsuok.edu), academics, schedules, summer, fall, spring open classes.

### **Access**

**NSU EXCELS** registration service will be available during dates and times listed in the front of the current schedule. **YOU MUST HAVE A TOUCH-TONE TELEPHONE TO ACCESS NSU EXCELS!** Touch-tone telephones make a single tone sound after each button is pushed. If you are using a cordless or cellular telephone, please verify your changes by printing a copy of your schedule from the NSU Website.

### **Schedule**

Your scheduled time for registration using the **NSU EXCELS** registration service is based on the number of hours you have completed when you register, not including the hours in which you are currently enrolled.

You may use the **NSU EXCELS** registration service **AFTER** your scheduled time but not before. Please see front of the current schedule for your assigned time.

## Worksheet and Instructions

**NSU EXCELS** allows you to enter your registration information into the computer by responding to choices and pressing the buttons on your touch-tone telephone.

**NSU EXCELS** will guide you through the registration process with step-by-step instructions. To have an instruction repeated, press# (the pound sign). You may end your call to the **NSU EXCELS** registration service by following the instructions and pressing 9 to terminate or quit the call.

**Special Approval and Permission Classes**

The **NSU EXCELS** registration service allows you to register for special permission classes pending approval of the appropriate dean. The service will instruct you when to call back and confirm that permission has been granted. If the dean does not grant you permission to enroll, the class will be removed from your schedule. Any questions about special permission classes should be referred to the appropriate dean.

**Closed Classes**

The **NSU EXCELS** registration service will not permit you to register in a closed class. If your class selection is closed, **NSU EXCELS** will provide information about all the other closed sections of that class. You may wish to mark these closed classes in your class schedule booklet before making another selection.

The course instructor, your academic advisor and Admissions Office personnel cannot give permission to register you in a closed class. You must see the dean, or use **NSU EXCELS** to add your name to the waiting list.

**Veterans**

The **NSU EXCELS** registration service allows veterans to register pending approval of their classes by the veterans coordinator. The service will instruct you when to call back to confirm approval of your schedule. Your schedule will have to be approved again each time you add or drop a class

**Fee Payment**

To review your registration transactions, log on to NSU web services at [www.nsuok.edu](http://www.nsuok.edu). Please see the front of the current schedule for the final date to pay to avoid being assessed late fees and having a hold placed on any future enrollment and on your academic records.
