COURSE TRANSFER

Course equivalencies are tables of courses that are transferable among Oklahoma public colleges and institutions (as well as some private institutions). Each table displays equivalent courses at each college and university and is organized by academic discipline, such as biology or history.

To see if a specific course is transferable to another Oklahoma college or university, select the academic discipline that the course falls under. To view a course description, select the course name in the column heading. Tables are provided in Adobe Acrobat PDF format. File sizes are indicated in parentheses. You must have Acrobat Reader installed to view the tables.
