First-Year Experience

As a freshman, you are transitioning into the academic and social culture of university life.

The First Year Experience staff is ready to help.

The Student Success Specialists of FYE are here to assist new freshmen learn what you need in order to be successful in college. We provide academic and enrollment counseling, connect you to the various Northeastern State University student services and activities, make referrals if tutoring is required, and provide other services as they are needed. Stop in and visit with a Student Success Specialist in the lower level of the CASE Building (Center for Admissions and Student Enrollment) or call us at 918-444-3253.
