Regional Summit 2010

The Regional Summit encourages leaders in Northeastern Oklahoma to cross traditional boundaries, forge new relationship, and collaborate creatively to build the region and strengthen communities. The regional economic summit is a product of "Making Place Matter," an initiative of the Oklahoma State Regents for Higher Education. NSU has taken a leadership role in collaborating with community partners through various initiatives and programs in response to needs within the region.

Regionalism: A United Voice for a Shared Vision

Growing a sustainable regional, economy by building our workforce, educational opportunities, and community capacity.

October 26 & 27, 2010

Northeastern State University
University Center, Rozell Ballroom
Tahlequah, Oklahoma

To register and find out more information, visit the [Regional Summit](#) website.
