## Stars in the Summer

The Stars in the Summer began in 1983 when the River City Players hosted their first season. In 1995 the cast of Downtown Country was added to the bill. Around the year 2000, the two casts joined marketing and box office efforts to combine as one series. For over a quarter of a century, audiences have enjoyed the rockin' rhythms of old time rock-n-roll and pop with the River City Players and the boot scootin' sounds of country music of Downtown Country.

The 2011 Stars in the Summer Series is runs June 16 through August 6.
