## Regional Action Teams (RAT)

Bring your passion to the table!!

- Organize group structure – decide how your group will best function and how information will

flow between team members

- .. Review RAT responsibilities – You will receive a more detailed handout on this
- .. Identify and engage stakeholders regarding topic
- .. Review and update the Action Steps from the Regional Plan – What is effective? What can we afford? What is the low-hanging fruit that will show fast results?
- .. Determine criteria to prioritize Action Steps
- .. Prioritize Action Steps based on criteria
- .. Develop timelines for Action Steps
- .. Communicate your group's progress through established channels
- .. Gather current benchmark data – communicate data needs with other partners
- .. Research best practices per your topic
- .. Review, revise, and finalize measures based on relevancy and ability to gather the data
- .. Disseminate Regional Plan throughout your target communities
- .. Identify Resource needs – Budgets, staffing, others needs
- .. Help identify topics and success stories for next Regional Summit
- .. Document and share all success!
