Hello Everyone,

Please take a moment to review the attached information that we have just received from Human Resources concerning our transition to bi-weekly pay periods. If you have questions concerning this change please contact Martha Albin in the office of Human Resources or Rick Manes.

During the Professional Development day on November 22nd there will be trainings provided on how to use the new Banner system for employee time and leave. I encourage everyone to try to attend one of the provided trainings.

As a reminder the Staff Council was formed to be a voice for the staff body of Northeastern State University. If you have questions or concerns please bring them to one of the Staff Council members. Information can be found in Blackboard under the Staff Council Organization. All staff members should be enrolled in the Staff Council Organization.

Thank you and have a great Day!!!
